North Bay Film Festival is recognized as our city's premier cinema event.

We present the best of contemporary cinema - shining a spotlight on new perspectives, marginalized voices and bold artistic visions, while highlighting the work of Canadian, Indigenous and Northern Ontarian filmmakers.

2020 is a unique year for the North Bay Film Festival as we join our community in keeping each other safe during the pandemic.

Our programs will be offered for free using Eventive, a special online platform, extending our audience reach across Canada.
